Table and chairs

Mopping / General Cleaning

For manual dishwashing:

For light to medium grease:

- Dilute with water (2 pumps of NeuDish Detergent to 5 litres of water - use with warm water for best results), manually clean dishes, and leave to soak for 5 minutes before rinsing with water.

For heavy grease:

- Use detergent as neat, do not dilute with water, manually clean dishes, and leave to soak for 5 minutes before rinsing with water.

For general cleaning:

Dilute 2 pumps of NeuDish detergent to 10 litres of water. Clean and leave to air dry or rinse off.

This product is to be used for intended purpose only. Handle with care and keep out of reach of children.
