Description

A 70% alcohol-based sanitizer that is fast acting and kills 99.99% of germs instantly, for effective and immediate disinfection of toilet seat surfaces. It is formulated to be gentle on the skin and easy to use, simply spray on the toilet seat and wipe off before use.

- Bactericidal - Kills 99.99% of germs instantly.
- Safe and gentle – Formulated with emollients to protect the skin.
- Hygienic – Factory sealed pouch eliminates any cross-contamination.
- Easy and safe to use – Anti-spillage system in pouch ensures no leaking of content during service or change.

Active Ingredient & Efficacy

Active Ingredients: 70% SD Alcohol and Chlorhexidine Gluconate 0.5%.
Formulated in accordance to NEA's guidelines for "Active Ingredients and Their Working Concentrations Effective Against Coronaviruses".

Efficacy: Kills 99.99% of germs. Bactericidal against a broad spectrum of gram-positive and gram-negative micro-organisms

Directions of Use

Simply spray on toilet paper.

Wipe off the toilet seat and throw the paper into the toilet bowl.
The seat is clean and ready to use!
