Q&A

Where can this product be used?

This product is ideal for use in indoor spaces like living rooms, offices, hotels, gyms and clubs.

How effective is this product at removing odors?

It works instantly to eliminate unpleasant odors, replacing them with a clean, long-lasting freshness that enhances the overall sensory experience.

Can this product be used on fabrics and textiles?

It is safe for use on surroundings and fabrics, making it ideal for refreshing bed linens, towels, and textiles with a light, luxurious scent when sprayed correctly.

Is this product safe and environmentally friendly?

Yes. It is eco-friendly and biodegradable, making it a responsible choice for businesses that value sustainability without compromising on performance.
