Q&A

What insects are this product effective against?

- Aedes Mosquitoes
- Anopheles Mosquitoes
- Ticks
- Sandies
- Land leeches
- Other aethropods

What is the active ingredient of this product?

The active ingredient is p-Menthane-3, 8-diol (PMD). It is derived from the leaves of the Lemon Eucalyptus tree. It is the only naturally-based ingredient recommended for protection against mosquito-borne diseases.

Lemon Eucalyptus Tree

How natural is this product?

Besides its natural active ingredient PMD, it is also complemented with vegetable-derived glycerin and peppermint essential oil, making it a DEET-free insect repellent.

How often and where should I apply?

Apply twice daily during outdoor activities. Reapply more frequently if perspiring.

PRODUCT SPECIFICATIONS

Active Ingredient : p-Menthane-3,8-diol (PMD) - 33%

Net content : 60ml
