## Q&A

### Where can this product be used?

This product is ideal for use in commercial kitchens, food service areas, offices, hospitality spaces, and manual dishwashing applications.

### How does this product support hygienic cleaning without harsh chemicals?

Its pH-neutral surfactant system effectively lifts and removes grease, dirt, and contaminants, supporting hygienic daily cleaning without aggressive or hazardous chemicals.

### Why is this product suitable for both surface cleaning and manual dishwashing?

Its balanced, concentrated formula cuts through grease effectively while remaining gentle, making it safe and effective for both surfaces and dishware when diluted as directed.

### How is this product cost-effective for daily use?

Its highly concentrated formula delivers powerful cleaning performance at low dilution rates, reducing overall product consumption.

## PRODUCT SPECIFICATIONS

Ingredients	: Disodium Cocoamphodiacetate, Cocamide DEA, Sodium Dodecylbenzenesulfonate, DMDM Hydantoin, Water
Net content	: 5LT
Formulation	: Clear orange liquid scented with fresh citrus fragrance
